Wild's Parquet Inlaid Linoleum

is different from all other floor coverings made in imitation of wood. The perfect, CLEAN-CUT wood reproductions, the prominent tone contrasts which keep the patterns always in evidence, the phenomenal durability, the increasing beauty with wear, etc., are distinctive features of WILD'S.

¶ The constantly increasing demand for WILD'S PARQUET INLAID LINOLEUM is evidence that the "prejudice of precedent" in favor of hardwood floors is gradually being overcome. All the beauty, dignity and refinement of wood parquetry are retained while its many objectionable features are eliminated.

¶ It is more sanitary, having no joints to collect dirt; it has a beautiful, dull surface which does not require shellac to preserve it; being impervious to water and grease, it is not easily stained; it is elastic and noiseless; has a safe stepping surface; can be kept clean and bright with soap and water; is almost as durable as concrete; is less expensive than wood and does not require frequent and expensive refinishing. Price,

\$1.50 per square yard

¶ Same make in printed goods at 50c and 60c per square yard. Two yards wide.

¶ This make of linoleum we have handled ever since we have been established, now over 20 years, and with it we have made lots of satisfied customers. These Linoleums are laid upon your floor in a first-class workmanlike manner by an experienced man and laid as such really becomes a part of your floor.

IN LOOKING OVER OUR STORE

we find a great deal more kinds to advertise than we have room to mention. Our stock being so much larger than in past seasons that we have added one-third more to our advertising space and now really need it all for our second floor garment advertising, and as much more for our dry goods department down stairs. It's a year of more business for us and we are doing the best we can to take care of it. The following are desirable kinds as we price them.

Children's Hats

Many wonder where they can find Children's Hats. Others know that we have them and come here for them.

Our cheaper Hats are 25c. A good quality and style Hat for 50c. We have the Velvet and Silk Bear up to \$1.65 in all of the small children's sizes.

The Aviation Cap, made of worsted, at 50c and 75c, for children are just now our best sellers.

Children's Dresses for the smallest size. We have both Long and Short Dresses in white at 25c each. We make a specialty of Dresses at 50c in white. All sizes from 8 to 14 in white and colored are carried in our garment department upstairs. These Dresses are all well made and have a style that home-made Dresses do not have.

Ribbons

If you are not a ribbon customer of ours, you are not doing as well as you can. Just ask to see three lots that will tell the story. A lot on our table, very heavy, two widths, 19c and 25c. One lot of Fancies on our center show case as you enter the store at 25c. Either of these three values will save you one-fourth your money.

Dress Goods

Our enlarged line of very new Dress Trimmings has helped us to a much better Dress Goods trade. We are now selling lots more of the better kinds of Dress Goods, particularly Dress Silks.

Our selling a yard-wide Warranted Lining Satin—a dollar Satin—for 87c hasn't hurt the sale.

When we announced that we had 14 colors in a Brainerd and Armstrong yard-wide Messaline to sell for \$1.00—not \$1.25—it brought trade that very same day.

We hold very close to Brainerd and Armstrong Silks in all grades. We believe that they have the Silks that do us good to sell.

We are selling for young ladies' dresses an All-wool very soft fine Serge in all colors, light and very dark red, navy blue two shades, brown, green and black at the price of common Serge, 50c per yard.

Our Wool Taffeta at \$1.00 and our 34-inch Spotless Shrunken Serge in dark red, navy and black at \$1.25 are both specials.

Ladies' Separate Skirts

The demand for Separate Coats has also created a big demand for Separate Skirts. And as the season advances, we find our sizes in colored Skirts badly broken in many styles of cloths that we cannot duplicate.

These we are anxious to clean up and in order to do so we are making some very low prices on them.

At \$3.98 are a number of different styles and cloths that we cannot duplicate. They are our best values, that we have sold all the season at from \$5.00 to \$5.75. If your size is here, you can get an extra value.

At \$2.50 are a few odd Skirts in plain colors, blues and browns.

At \$3.98 are a few odd Skirts in plain brown and blue. These are a good styled skirt, made of an all wool panama, are Skirts that sold at \$5.50 and \$5.75.

At \$4.50 are three Skirts in a good gray mixture; are new Skirts, but cloths are closed. Were \$6.50.

At \$5.00 are a few odd Skirts that sold at \$7.50. To close at \$5.00.

Children's Coats

We have just received another lot of Children's Cloth and Silk Bear Coats. These are Coats we have had a large demand for this season. This is the third lot we have had this season.

The Silk Bear Coats come in sizes from one to six years, and are a very serviceable Coat. Will wash as nicely as a white cotton. We have the plain ones at \$2.50 to \$2.98 and \$3.98. The curly ones at \$2.98, \$3.98 and \$5.00. These are surely the popular Coat for babies and small children.

We have these Silk Bear Coats in colors and also have a Corduroy Coat in white and colors that is a good value at \$3.00.

At \$2.98 we will give you a good Cloth Coat. Has the cape over shoulder and is lined. These come in sizes from two to six years.

For an extra warm Coat, the imitation racoon is as good as ever. Comes with the heavy quilted lining.

In the better grades, such a Broad-cloth and Kerseys, we can give you some extra good styles and values.

New lot of Ladies' White Sweaters with roll collar and pockets. All of our Golf Gloves and Mittens are displayed on our tables.
